Milken Institute School of Public Health
of George Washington University

Joining Forces for Global Health

The World Health Summit Regional Meeting 2023 will be held in partnership with the CUGH Annual Conference 2023 and the Global Innovation Forum organized by AAHCI. Hosted by the US-based members of the academic backbone of the World Health Summit, the M8 Alliance, this collaboration strives to join forces for global health and create a unique opportunity for knowledge exchange and partnership building.

Selected Topics

- Climate Change, Pandemics and Social Determinants of Health
- Confronting the Burden of NCDs
- Gender and Power
- Racism in Global Health
- Technology for Global Health
- Donors and Priorities in Global Health

Theme

'Bridging the Science to Policy Gap-Opportunities for Academia' is the theme of the World Health Summit Regional Meeting 2023. It highlights the essential role of evidence-based science for the development of global health policy.

Regional Meeting

The World Health Summit Regional Meeting takes place every year in different parts of the world in addition to the annual World Health Summit in Berlin and brings regional topics to the forefront. Each Regional Meeting is hosted by the M8 Alliance member holding the World Health Summit International Presidency, which rotates every year.

M8 Alliance

The M8 Alliance of Academic Health Centers, Universities and National Academies is the academic foundation of the World Health Summit. It is a unique international network and includes the InterAcademy Partnership (IAP), which represents the national academies of medicine and science in 130 countries.
